- a) *the vermin*
- b) *a chainsaw*
- c) *a telephone directory*
- d) *a steam roller*
- e) *lead diving boots*

The NHS offers group and one to one support in your area. Combined with nicotine gum or patches you're up to four times more likely to quit this way than going cold turkey.

cold turkey noun [U] SLANG

the period of extreme suffering which comes immediately after a person has stopped taking a drug on which they are dependent:
Six years ago she went cold turkey on (= stopped completely) a three-pack-a-day smoking habit. (from [Cambridge Advanced Learner's Dictionary](#))

It's just one of the ways the _____ can help.

Call the NHS smoking helpline on __ (phone number) _____

or visit __ (website) _____

II – Recording :

- **Open** Audacity
- **Record** your voice on your favourite radio spot
- **Save** the file on your personal disk
- **Present** it to your teacher for correction

III– Videos :

I Watch : “1_Mum_Street_without_hook_non_agency_vsn_40.mpg”

- **Make notes** of what you can recall
- Watch it again and **outline** (make a plan of) the different film sequences
- **Prepare an oral account** of your notes & outline
- **Record yourself** with Audacity
- **Save** the file on your personal disk
- **Present** it to your teacher for correction

II Do the same activities with “1_Office_without_hook_rev_non_agency_vsn_40.mpg”

- **Bonus question :** How many cigarettes a year does an average smoker need ?

III Now watch : => “2_Mum_Street_without_hook_non_agency_vsn_20.mpg”
 => “2_Office_without_hook_non_agency_vsn_20.mpg”

- Make a quick oral report of those two videos and express your personal opinion on this advertising campaign.
